

ARROYO SECO MICROTHON RESULTS

Attached are the results of the 1983 Arroyo Seco Microthon. Due to assorted "technical difficulties", some names are missing, some times are approximate, and the course was about 200 feet longer than 5K. We will work toward resolution of similar problems in future races.

Once again the team award went to the "Originals" (Beckman, Friedman, and Davies) with a score of 15. They ran unopposed this year.

Special mention goes to the following individuals: (1) Bruce Bills, who posted the best time once again. Not even a rattlesnake can stop him! (2) Alex Stone, who received a special award for running for the longest period of time. (3) Ann Delleur, who covered the course on a unicycle in 38:20! Congratulations! And thanks to all of you who ran.
