

Results from the
11th Annual
ARROYO SECO FREAKO MICROTHON

April 1, 1985

A record 84 runners braved 90° heat and completed this year's 5-kilometer Arroyo Seco Freako Microthon. The number of finishers is an all-time record for any single Running Club race.

For the second straight year, the race was contested over a grueling up-and-down course following the roads and horse trails in Oak Grove Park. Bill Read outdueled last year's winner, David Walker, 18:33 to 19:19, to take first place. These runners won the two medals presented in the Men 0-35 division. Other division medalists were: Steve Vass, 19:55, and Bob Ibaven, 20:20 (Men 36-41); Roy Kakuda, 20:05, and Bill Mandeville, 20:17 (Men 42-47); Don Gray, 21:43, and Bill Hullinger, 22:35 (Men 48+); Valerie Pickett, 22:01, and Morgan Wesson, 26:15 (Women 0-35); and Gay Palic, 23:47, and Carol Noonan, 23:49 (Women 36+).

A total of 37 runners representing 9 teams took part in the team challenge matches. In the only three-team match, The 312 Otherans handily defeated The 312 Galileans and TOPEX, +94 to -734 to -748, under a scoring formula based on cumulative times relative to age group averages. The other three matches all involved just two teams each, and they were decided by average percentile placing within age groups. The Soon-to-be-South-Lakers won the closest, most competitive match over The Icons, 72% to 71%. The '88 Team #1 defeated the '88 Team #2, 51% to 12%, and the Last Minutes defeated the Over-the-Hill Gang, 56% to 46%.

John LuValle, Rich Benson, and Louis Friedman all extended their record of Freako appearances to 9. John Beckman and Charles Voge now have 7 Freako runs, and Kathy O'Hara leads all women regulars with 6.
